## FINANCIAL REGULATIONS (Updated/Re-adopted February 2002)

### 1. General

- 1.1 These financial regulations shall govern the conduct of the financial transactions of the council and may only be amended or varied by resolution of the council.
- 1.2 The Responsible Financial Officer (RFO), under the policy direction of the Finance Committee, shall be responsible for the proper administration of the council's financial affairs.
- 1.3 The RFO shall be responsible for the production of financial management information.

### 2. Annual Estimates

- 2.1 Each committee shall formulate and submit proposals to the Finance Committee in respect of revenue services and capital projects for inclusion in the rolling programme not later than the end of November each year.
- 2.2 Detailed estimates of income and expenditure on revenue services, and receipts and payments on capital account, shall be prepared each year by the RFO.
- 2.3 The Finance Committee shall review the estimates and submit them to the council not later than the end of January in each year and shall recommend the precept to be levied for the ensuing financial year. The RFO shall supply each member with a copy of the approved estimates.
- 2.4 The annual capital and revenue budgets shall form the basis of financial control for the ensuing year.

### 3. Budgetary Control

- 3.1 Expenditure on the revenue account may be incurred up to the amounts included in each approved committee budget.
- 3.2 No expenditure may be incurred which cannot be met from the amount provided in the appropriate committee revenue budget unless a virement has been approved by the Finance Committee or the council.
- 3.3 The RFO shall periodically provide the Finance Committee with a statement of income and expenditure to date under each head of the approved annual revenue and capital budgets.
- 3.4 The clerk may incur expenditure on behalf of the council which is necessary to carry out any repair replacement or other work which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure, subject to a limit of £100.00. The clerk shall report the action to the appropriate committee as soon as practicable thereafter.
- 3.5 Where expenditure is incurred in accordance with regulation 3.4 above and the sum required cannot be met from savings made elsewhere within the committee's budget, it shall be subject to the provisions of a supplementary estimate approved by the Finance Committee or the council.
- 3.6 Unspent provisions in the revenue budget shall not be carried forward to a subsequent year.
- 3.7 No expenditure shall be incurred in relation to any capital project and no contract entered into or tender accepted involving expenditure on capital account unless the committee concerned are satisfied that it is contained in the rolling programme and that the necessary capital funds are available, or requisite borrowing approval can be obtained.
- 3.8 All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.

### 4. Accounting and Audit

- 4.1 All accounting procedures and financial records of the council shall be determined by the RFO as required by the Accounts and Audit Regulations 1996.

- 4.2 The RFO shall be responsible for completing the annual accounts of the council as soon as practicable after the end of the financial year and shall submit them to and report thereon to the Finance Committee.
- 4.3 The following principles shall be observed in connection with accounting duties:
- a) The duty of providing information, calculating, checking and recording sums due to, or from, the council, should be separated as completely as possible from the duty of collecting or dispersing them.
  - b) Officers charged with the duty of examining and checking the accounts of cash transactions should not be engaged in any of those transactions. The Chairman of the Finance Committee will perform an independent check of all cash transactions each January and July.
- 4.4 The RFO shall be responsible for maintaining an adequate and effective system of internal audit of the council's accounting, financial and other operations in accordance with regulation 5 of the Accounts and Audit Regulations 1996. Any officer or member of the council shall, if the RFO requires, make available such documents of the council which relate to their accounting, and other records as appear to the RFO to be necessary for the purpose of the audit, and shall supply the RFO with such information and explanation as the RFO considers necessary for that purpose.

- 6.3 Duly certified invoices shall be passed to the RFO who shall examine them in relation to arithmetical accuracy and authorisation, and shall code them to the appropriate expenditure head. S/he shall take all possible steps to settle all invoices submitted, and which are in order, within 30 days of their receipt.
- 6.4 When the RFO is satisfied that the invoices are in order s/he shall certify them for payment.
- 6.5 All duly certified invoices will then be entered on the schedule referred to in 5.2 above.
- 6.6 The RFO may provide petty cash to members for the purpose of defraying operational and other expenses. Vouchers for payments made shall be forwarded to the RFO with a claim for reimbursement:
