Cllr Connor reported on the Parking Forum meeting. There were 66 people in attendance including residents, traders and representatives from the three local schools. It was noted that all who attended the meeting were in favour of Heyes Lane allotments becoming a car park and Cllr Herald reported, from the same meeting, that there was only 1 person who objected to the proposal to extend the car park in the village park. There was a lot of discussion about the main issues affecting the village and she will circulate the notes to all councillors once they have been typed. There was a further discussion amongst the councillors and Cllr Keegan confirmed that Cheshire East is handing over parking enforcement to an outside body.
